

*Good Morning!*

*I hope you slept well, thank you for the tooth that you left me last night. I am looking forward to adding it to my collection!*

*Remember to take care of all of your teeth and to brush twice a day two minutes a time, floss once a day, eat healthy foods and drink water and have regular dental check-ups. It is important to take extra special care of your new tooth as you will have that one for a very long time.*

*When your next baby tooth gets wiggly and wobbly, I will visit you again. Enjoy the surprise I left for you.*

*Best Wishes*

*The Welcome Dental Tooth Fairy*
